

## "Hurricane Harvey" Storm Roars Ashore Near Corpus Christi, Tex.

**Disaster Aid USA "Americans helping Americans" Preparing "getting ready" to respond with its Disaster Relief Trailer complemented by its team of Domestic Disaster Relief Volunteers**

**Disaster Aid USA** is an American Rotary Club Project managed and run by American Rotarians.

Its mission is to provide emergency aid following disasters, Natural or Man-made. Its trailer, stationed in Houston, TX along with its team of Rotarians and non-Rotarians are "getting ready" together with a Louisiana teams stationed in Lake Charles, LA to respond to the needs of those victims who and have and continue suffering from the effects of Hurricane Harvey (a Category 4 storm that could be the strongest to hit the United States in 12 years).

**Disaster Aid USA** is on standby, we have prepared 200 muck buckets, and have local ambassadors

working with VOAD at the local EOC (Emergency Operating Centers). Disaster Aid USA is American Rotary project, "**Americans helping Americans**".

**Disaster Aid USA** response teams handle debris removal, mucking out of houses Clean Water Solutions and can act as team leads for other organization volunteers as well as our own volunteers. Disaster Aid USA always works inside the emergency management system either taking charge of certain areas as directed or being a force multiplier for other organizations

### **A Call for Donations**

**Donations will provide the funds for the volunteers to handle debris removal, mucking out houses, providing clean water systems and other disaster related relief caused from "Hurricane Harvey" and the flooding.**

Donations are needed and can be made by check mailed to - Disaster Aid USA, 9817 Lanham Severn Road, Lanham, MD 20706 or by visiting our website - [www.disasteraidusa.org](http://www.disasteraidusa.org) and clicking-on the Pay Pal button.

Yes, it is true, you will probably see or meet the family your donation helped, but you can be sure someplace in their heart there is a big. "**Thank You**"
